WHAT OUR Couples Say

Vanessa & Lachlan

5 stars to Noel-Marie and her team on my wedding day ❤️. Since we met Noel-Marie she was super helpful and lovely. Her customer service was beyond what I expected, and she definitely made my wedding extra special. From the cocktails to coordinating my vendors, even the security guard from the night was so friendly and fun.

Sharna & Daniel

Booking our wedding at the Pavilion was the best decision we ever made. From securing the venue to organising table layouts and picking a menu Bec and Noel-Marie were so helpful. They made the process of planning a wedding reception seamless, everything ran smoothly and to plan without you even noticing. The staff were phenomenal. Guests commented on how impressed they were with the waitstaff service. They were so friendly, always had a smile on their faces, helpful and it felt like they genuinely cared about us.

Mr & Mrs Birchall

You have a really awesome and friendly team. The pavilion was a wonderful place for us to celebrate our special day and we can't thank you enough!

Andrew & Paul

The service from Bec in the lead up the wedding and then from Noel and the Culinarious team on the night was excellent. The food provided throughout the night was delicious and of a very high quality. Our guests commented how amazing both the canapes and main courses were.

Emily and Alan

What can we say, the Pavilion Wedding Team did an amazing job in making our day one we will never forget. From our first meeting we knew that we were going to be well looked after, even with all the random requests we had you were happy to accommodate for us. Everyone commented on how delicious the food was, with nobody walking away hungry. We have told so many people how fortunate we were to have had our wedding at the Pavilion and have Culinarious cater for us. Thank you again from the bottom of our hearts. Honestly can't thank you enough again for everything you did for us!
